Dear Auntie Lenka and friends,

This is Priya Diana writing to you. I hope you are doing well. My family and I fine here. They have conveyed their regards through their prayers to you. I thank you for the Christmas gift. I was happy to have it.

I am in I PUC. I happy to go to college, I am trying my best to score good marks. I attended the christening function of my cousin's daughter. She was named Chrisal Sanvi D'Souza.

We attended Christmas mass on the Eve (24<sup>th</sup>). I prayed for you and your family during this mass. I had a week's holiday; college began on the 2<sup>nd</sup> of January. We put up a program for the II PUC students as it was their last year in the college. They will go to various other colleges for their further studies. I was part of the dance program.

I have already finished my final exams. The results are expected at the end of this month. My exams began on the 24<sup>th</sup> of February.

That's all for now as I end my letter, I wish you and your family a Happy Easter. May the Risen Lord bless you and grant you happiness and health.

Yours Sincerely

Priya Diana
